

## Notes

-----

This zip archive currently contains:

- Foil pattern for the DDS controller circuit board;
- Foil pattern for the DDS modulator circuit board;
- Component layout and parts list for DDS controller circuit board;
- Component layout and parts list for DDS modulator circuit board.
- DDS Modulator schematic
- DDS controller 16F630 version schematic
- DDS controller 16F1703 version schematic

Updated 2011-11-16 with additional information relating to the 16F1703 version, and inclusion of DDS power-on/software reset components.
